## Weather Situation Update

We are aware of the dispersed nature of our Boarding families across Leinster and the South East. We are notifying all Boarding parents that we will strive to maintain full teaching and learning at the College unless or until directed by the Minister for Education and Skills to close under a Status Red Weather Alert. However parents/guardians who live a distance from the College may choose to collect their child(ren) this afternoon / evening (Tuesday), or during tomorrow (Wednesday), if they believe it is the safe and appropriate time to do so.

The situation remains under continual review as the current national weather situation evolves. The College will not be in a position to have Boarders in residence over the course of this weekend.
