

KILKENNY COLLEGE

Kilkenny College has been granted an Autism/Special Class by the Department of Education and Youth and the National Council for Special Education (NCSE) for the 2026/2027 Academic Year. We want to make all the school community aware of this development.

The application window has now opened for families that have not yet secured an Autism/Special Class place. All the relevant documents and the application form can be found on the school website (www.kilkennycollege.ie) under the Admissions Tab.
